Brain teaser

Ontario maple syrup is terrific because:

- 1. it's so sticky that you can use it to hold school projects together when you can't find tape
- 2.we can support local farmers by buying maple syrup produced right here in Ontario
- 3. it's runny which is a good excuse for pouring a little extra on your pancakes!

yusmer: p and well, okay, c tool

ON THE UNCLE'S FARM
